

RULES & CONDITIONS OF FIELD USE

These are the rules and conditions for your organization to follow when using fields scheduled and/or maintained by the City of Carlsbad Parks and Recreation Departments. Portions of your deposit will be deducted if these rules and regulations are not adhered to.

The athletic fields are for the entire community to enjoy.

- Be sure to remove any equipment from fields when use is finished.
- Pick up trash on the fields, in the dugouts, bleachers, and restrooms. If extra trash bags are needed, check the storage facility, or call the appropriate community center staff.
- Vehicles are prohibited on any turf area unless given special permission from the Parks Department.
- Call Musco Lighting to have lights turned off for canceled practices or games, or early departure from athletic fields.
- Backstops or chain link fencing shall not be used for practicing pitching or batting.
- Be sure to lock up snack bar facility, restrooms, or gated field sites if a key has been issued.
- Rotate practice areas to prevent excessive wear and tear on fields.
- Comply with all field closure schedules and closures due to inclement weather.
