

LC35AC Tribute to Steve Collo

Steve Collo has a warm heart, caring nature, friendly demeanor, and a strong will to improve the lives of people he serves. Under his calm and steady leadership La Costa 35 Athletic Club has grown in membership, sponsors, fiscal stability, and community service. He recently completed (February 2020) five years of able and dedicated leadership as President. A longtime member and sponsor (Postal Annex) of teams and events, Steve has emphasized the tradition of LC35AC Club events, such as “Swing with your Heart” fund raisers for individuals facing medical crises in the community. He and his leadership team of officers and commissioners have made it a priority to communicate and collaborate with the City of Carlsbad. LC35AC has continued to be a proud sponsor of the Carlsbad Boys & Girls Club. The City is currently refurbishing the turf fields at Stagecoach Park and incorporating some enhancements recommended by Steve and his leadership team. The Club has been fortunate to have such a dedicated leader.
